Summer reading is not required but HIGHLY encouraged! A minimum of 20 minutes at least 3 times a week is helpful to keep students in the habit of reading.

For each book read and a one-paragraph summary written, the student will receive bonus points on a reading quiz/test. Students may receive this extra credit for up to three quizzes/tests. The summaries must be neatly handwritten and turned in by the 2nd day of school. Don't forget to put your name at the top, and happy reading!
